

1. PROFESSIONAL EXPERIENCE

From Oct 2024	Associated Professeur in Gastroenterology Hôpital Universitaire de Bruxelles, Belgium
Mar – Sep 2024	Gastroenterology Attending Physician Centre Hospitalier de Luxembourg, Luxembourg
Fev 2024	Fellow for Advanced GI Endoscopy Asian Institute of Gastroenterology, Hyderabad, Indie
Dec 2023 – Jan 2024	Gastroenterology Attending Physician Hospital Garcia de Orta, Almada, Portugal
Oct 2020 – Nov 2023	Gastroenterology Attending Physician Champalimaud Foundation, Lisbon, Portugal
April 2021 – July 2022	Visiting Fellow for Advanced GI Endoscopy Erasme Hôpital Bruxelles, Brussels, Belgium
Dec 2017 – Sep 2020	Gastroenterology Attending Physician Hospital Garcia de Orta, Almada, Portugal
May – Nov 2017	Fellow for ERCP and EUS Erasme Medical Center, Rotterdam, the Netherlands
2012 – 2016	Gastroenterology Residency Centro Hospitalar e Universitário de Coimbra, Portugal Final classification: 19.8/20
Feb – Mar 2016	<i>Hepatology Fellowship</i> Royal Free Hospital, London, United Kingdom
Nov 2016	<i>Digestive Oncology Fellowship</i> Erasme Medical Center, Rotterdam, the Netherlands
Jul – Sep 2016	<i>Gastroenterology and Hepatology Intensive Care Fellowship</i> Centro Hospital e Universitário de Coimbra, Portugal
2011	General Medicine Internship Centro Hospitalar Lisboa Ocidental, Lisbon, Portugal

2. ACADEMIC QUALIFICATIONS

2021 – 2024	PhD thesis Dissertation title: “The future of ERCP and EUS: new insights from training to certification and expertise” Université Libre de Bruxelles, Brussels, Belgium
-------------	--

2004 – 2010	Integrated Master in Medical Sciences Faculdade de Medicina de Lisboa Final classification: 17 / 20; 87% in the Specialty Exam classification
2007 – 2008	<i>ERASMUS</i> Universidad Complutense Madrid, Spain

3. AREAS OF INTEREST: Interventional Endoscopy, ERCP, EUS

4. SCIENTIFIC ACTIVITIES

- » **More than thirty*** articles published in indexed journals; **Five*** book chapters
- » **More than fifty** oral communications, poster communications and lectures
- » Participation in several clinical international clinical trials

5. GRANTS AND AWARDS: **Ten** awards and grants as 1st author, namely the ESGE Next Generation Award 2025 and the ESDO and SPED grants for studies and fellowships in ERCP/EUS and Digestive Oncology

6. ACADEMIC ACTIVITIES

2016 – 2017	Teaching assistant in Gastroenterology Faculdade de Medicina, Universidade de Coimbra, Portugal
2014 – 2016	Invited speaker, Master in Applied Pharmacology Faculdade de Farmácia, Universidade de Coimbra, Portugal
2013 – 2015	Invited speaker, Gastroenterology seminars Faculdade de Medicina, Universidade de Coimbra, Portugal
2005 – 2007	Teaching assistant in Anatomy Faculdade de Medicina, Universidade de Coimbra, Portugal

7. OTHER ACTIVITIES

- » April – June 2023, postgraduate course in “**Human Rights, Health and Justice: Global challenges and Sustainability**”, at the Portuguese Speaking Countries Observatory of Human Rights, Coimbra, Portugal.
- » Since 2021, collaboration in Tonic App, an **app** for medical doctors, for the development of scientific content in the field of Gastroenterology
- » Since 2016, **coordinator** of the Gastroenterology and Digestive Endoscopy volunteer programs in São Tomé e Príncipe and in Guinee-Bissau, Africa, having completed 15 missions.

8. LANGUAGES: Portuguese: native. English, French, Spanish: advanced. Dutch: basic

10. *LIST OF PUBLICATIONS

1. Quality standards and curriculum for training in cholangio-pancreatography: European Society of Gastrointestinal Endoscopy (ESGE) Position Statement Johnson G, Webster G, Papaefthymiou A, **Teles de Campos S**, et al. Endoscopy 2025; doi: 10.1055/a-2619-8434
2. How to measure quality in ERCP? Franco AR, Arvanitakis M; Teles de Campos S. Best Practice & Research Clinical Gastroenterology 2025; <https://doi.org/10.1016/j.bpg.2025.101999>
3. Carbon foot printing and environmental impact of gastrointestinal endoscopy procedures at a tertiary care institution: a prospective multi-dimensional assessment Rughwani R, Kalapala R, Katrevula A, Jagtap N, Desai M, **Teles de Campos S**, et al. Gut 2025; doi: 10.1136/gutjnl-2024-332471
4. Fast-tracking ERCP learning with Boskoski-Costamagna ERCP Trainer: results of a multicenter randomized trial **Teles de Campos S**, Boskoski I, Voiosu T, Salmon M, Costamagna G, Devière J, Arvanitakis M, ERCP Training Group. Endoscopy 2025; doi: 10.1055/a-2443-6582
5. Comprehensive audit of gastrointestinal endoscopy adverse events: Emphasizing quality indicators and economic impact with the AIG-AGREE modification Katrevula A, Singla N, Rughwani H, Jagtap N, Katukuri GR, Godbole S, **Teles de Campos S**, et al. Endoscopy International Open 2024; doi: 10.1055/a-2435-5445
6. Vade Mecum in ERCP, a roadmap to achieve success: Tips from Experts to those who want to excel in advanced endoscopy **Campos ST**, Arvanitakis M, Boskoski I, Devière J. Endoscopy International Open 2024; doi: 10.1055/a-2290-1479.
7. Assessing the impact of center volume on the cost-effectiveness of centralizing ERCP **Campos ST**, Diniz P, Castelo-Ferreira F, Voiosu T, Arvanitakis M, Devière J. Gastrointestinal Endoscopy. 2023; doi: <https://doi.org/10.1016/j.gie.2023.11.058>.
8. Curriculum for diagnostic endoscopic ultrasound training in Europe: European Society of Gastrointestinal Endoscopy (ESGE) Position Statement Badaoui A, **Campos ST**, Fusaroli P, Gincul R, et al. Endoscopy 2023; doi: 10.1055/a-2224-8704.
9. Face and content validity of a novel biological papilla designed for Boskoski-Costamagna ERCP simulator trainer **Campos ST**, Boskoski I, Voiosu T, Arvanitakis M, Costamagna G, Deviere J; Gastrointestinal Endoscopy 2023; doi: <https://doi.org/10.1016/j.gie.2023.06.014>
10. The impact of center and endoscopist ERCP volume on ERCP outcomes: a systematic review and meta-analysis **Campos ST**, Papaefthymiou A, Florou T, Facciorusso A, Arvanitakis M, Devière J, Paraskevas G; Gastrointestinal Endoscopy, 2023; doi: <https://doi.org/10.1016/j.gie.2023.05.045>
11. Who will excel in advanced endoscopy? A study assessing Experts' criteria and perceptions regarding selection of ERCP and EUS trainees **Campos ST**, Arvanitakis M, Devière J; Endoscopy International Open, 2023; doi: 10.1055/a-2017-3827
12. A portrait of ERCP and EUS training programs in Europe: current practices and opportunities for improvement **Campos ST**, Arvanitakis M, Devière J; UEG journal, 2023; doi: 10.1002/ueg2.12377
13. Starting digestive endoscopy in a lower middle-income country in Africa: Training, creating an endoscopy facility and developing telemedicine **Campos ST**, Barreto L, Fernandes V, Meira T, et al; Endoscopy International Open, 2022; doi: 10.1055/a-1942-7359
14. Mediastinal abscess formation after EUS-guided Sampling in a Young Patient with Sarcoidosis: Be Aware of the Increased Risk! Bispo M, Marques S, **Campos ST**; Rio-Tinto R, et al; GE Portuguese Journal of Gastroenterology, 2022; doi: 10.1159/000526508
15. Endoscopic marsupialization for severe candy cane syndrome: long-term follow-up Ri7-Tinto R, **Campos ST**, Marques S, Bispo M, et al; Endoscopy International Open, 2022; doi: 10.1055/a-1869-2680
16. Case Report: Forward-viewing EUS-guided esophageal repermeabilization **Campos ST**, Arvanitakis M, Rio-Tinto R, Devière J Endoscopy International Open; 2022; doi: 10.1055/a-1781-6098
17. Endoscopic ampullectomy **Campos ST**, Bruno M; Gastrointestinal Endoscopy Clinics of North America; 2022; doi: <https://doi.org/10.1016/j.giec.2022.01.005>
18. Factors Influencing Performance of Cholangioscopy-Guided Lithotripsy Including Available Different Technologies: A Prospective A Multicenter Study with 94 Patients Alexandrino G, Lopes L, Fernandes J, Moreira M, Araújo T, **Campos S**, et al Digestive Diseases and Sciences; 2021; doi: 10.1007/s10620-021-07305-7
19. Endoscopic management of symptomatic duodenal duplication cysts - two case reports **Campos ST**, Rio-Tinto R, Bispo M, Marques S, et al; GE Portuguese Journal of Gastroenterology; 2021; doi: 10.1159/000518586
20. Endoscopic Reconstruction of an Oral Feeding Route Using a Rendezvous Approach **Campos ST**, Rio-Tinto R, Fidalgo P, Bispo M, et al; GE Portuguese Journal of Gastroenterology; 2021; doi: 10.1159/000518913
21. Curriculum for ERCP and EUS Training in Europe: European Society of Gastrointestinal Endoscopy (ESGE) Position Statement Johnson G, Webster G, Boskoski I, **Campos S**, et al; Endoscopy; 2021; doi: <https://doi.org/10.1055/a-1537-8999>
22. Endoprotector: Protective box for safe endoscopy use during COVID-19 outbreak **Campos S**, Carreira C, Pinto Marques P, Vieira A; Endoscopy International Open, 2020; doi: <https://doi.org/10.1055/a-1180-8527>
23. EUS-guided pancreatic duct cannulation **Campos S**, Bruno M; Book chapter, Gastrointestinal and pancreatico-biliary diseases: advanced diagnostic and therapeutic endoscopy, Springer; 2020; doi: https://doi.org/10.1007/978-3-030-29964-4_72-2
24. Methods and outcome of the endoscopic treatment of ampullary tumors Poley JW, **Campos S**; Therapeutic Advances in Gastrointestinal Endoscopy; 2020; doi: 10.1177/2631774519899786
25. Endoscopic staging and treatment of ampullary tumors

Campos S, Poley, JW; Book chapter, Encyclopedia of Gastroenterology, 2nd edition, Elsevier; 2019; doi: dx.doi.org/10.1016/B978-0-12-801238-3.65876-2

26. The role of EUS in the diagnosis and treatment of liver disorders

Campos S, Poley JW, Van Driel L, Bruno M; Endoscopy International Open. 2019; doi: 10.1055/a-0958-2183

27. Defining the minimum acceptable diagnostic accuracy of non-invasive fibrosis testing in cirrhosis: a decision analytic modelling study

Majumdar A, **Campos S**, Gurusamy K, Pinzani M, Tsochatzis EA; Hepatology. 2019; doi: 10.1002/hep.30846

28. Ulcerative Colitis: Are We Neglecting Its Progressive Character

Massinha P, Portela F, **Campos S**, Duque G, et al; GE Port J Gastroenterol. 2018; doi: 10.1159/000481263

29. Hemorragia digestiva alta

Campos S, Sant'anna M, Cardoso R; Book chapter, Manual de Urgências em Gastreenterologia; 2018; Lidel

30. Ingestão de corpo estranho e impactação alimentar

Cunha I, **Campos S**, Figueiredo P; Book chapter, Manual de Urgências em Gastreenterologia; 2018; Lidel

31. Perturbações hidroeletrólíticas

Campos S, Gravito-Soares E, Sant'anna M, Figueiredo P; Book chapter, Manual de Urgências em Gastreenterologia, 2018; Lidel

32. The clinical utility of non-invasive tests in cirrhosis: results of decision analysis modelling

Majumdar A, **Campos S**, Pinzani M, Tsochatzis EA; Journal of Hepatology; 2017; doi: 10.1016/S0168-8278(17)31788-9

33. Metastatic Crohn's disease despite infliximab therapy

Campos S, Coutinho I, Cardoso JC, Portela F; An Bras Dermatol; 2017; doi: 10.1590/abd1806-4841.20175713

34. Uncertainties in the Management of a Lynch Syndrome Patient: A Case Report

Campos S, Amaro P, Cunha I, Fraga J, Cipriano MA, Tomé L; GE Port J Gastroenterol; 2017; doi: 10.1159/000461590

35. The clinical extremes of autoimmune cholangitis

Campos S, Gomes D, Cipriano MA, Sofia C; Rev Esp Enferm Dig; 2017; doi: 10.17235/reed.2017.4167/2015

36. POEMS syndrome and idiopathic portal hypertension: a possible association

Campos S, Agostinho C, Cipriano MA; Rev Esp Enferm Dig. 2017; doi: 10.17235/reed.2017.4623/2016

37. A New Paradigm in Gallstones Diseases and Marked Elevation of Transaminases: An Observational Study

Campos S, Silva N, Carvalho A; Ann Hepatol; 2017; doi: 10.5604/16652681.1231588

38. Cytomegalovirus, inflammatory bowel disease, and anti-TNF α
